Jan 9th Kick Off meeting

1. What specific types of information would be useful to your business before, during and after a disaster, as provided by the Ohio Emergency Management Agency or other state agencies?

- Restoration of Power Timeline
- Road Closures
- Resources for building supplies
- Status with utilities
- Transportation concerns
- Overall contact list for team members
- Checklist of items for team members to use during emergency
- Help team members understand “when” they should “act” and what are the 1st steps
- I liked the EMA website, will review more
- Status updates on power outages
- Status updates on areas affected (ie., by tornados, ice storms, etc)
- Notifications of severe weather forecasts
- What is the nature of the impending disaster
- Status of the available services
- Extend of the disaster
- What resources are available to help with the recovery
- More information/details like what is on the website- very good resource
- Would this information be released on local news/media in the event ISP is down?
- Would love the opportunity to participate in exercises
- What can we (business name) do to help provide food after an event?
- Conduct a security awareness week and would love to see what areas of the OEMA can attend?
- Status reports and updates
- Tips and resources for citizens/business
- Transportation for citizens
- Access into communities
- Utility updates
- SITREPS pushed to our EOC: website provided
- List and contact info of private org participants
- Road and travel conditions for surrounding areas
- Immediate public needs- before, during & after
- Information regarding who is/isn’t up and running
- Detailed response and recovery plans
- Utility related outages with estimated repair time
- Disaster related road closures or link to more info
- Only desired water, electric or gas rationing requested
- Only humanitarian aid needs -> specifically bottled water
- Disaster & survey weather situation reports & updates
- Contact information for those who have needs

- Threat warnings
- Before- complete contact list of Ohio EMA- including counties
- During- updated status, availability and excel to affected areas
- After- prioritization plan of recovery efforts, request process
- Road closures
- Government or company closures
- Up to date information on the issue
- What's involved with first responders
- Restoration / return to operations planning
- How information will be shared
- Utility power restoration
- Road closures OR public transit closures
- Airport / flight disruptions
- Before- any type of early warning & recommended actions
- During- situational status & recommended actions / guidance
- After – impact assessments, state's course of action
- Any- Any assistance requires from various organizations that make up the group
- Pre-established point of contact list for Ohio EMA
- Scope of area impacted
- Number of residents impacted
- Situation reports
- Provide public with knowledge that donations to OH Volunteer Organizations Active during Disasters (VOAD) tax exempt
- Long-term committees identified
- Status with utilities
- Transportation concerns
- Restoration of power timeline
- Road conditions
- Resources for building supplies
- Overall contact list for Team Members
- Checklist of items for team members to use during emergency
- Help team members understand “when” they should “act” and what are the first steps.

2. What important benefits do you foresee in being an Ohio Public Private Partnership member?

- Communication
- Partnership- what can we provide?
- Timely information
- Preparation procedures and readiness
- Understanding EMA processes/procedures
- Networking with EMA & Public key members
- Having the opportunity to facilitate/coordinate activities that will be valuable to the public
- Overall partnership with all businesses
- Communication between business partners
- Sharing “best practices” regarding crisis/emergency response
- Be part of the planning process
- Have an understanding of what we can expect for state resources

- Being able to keep employed informed of the most recent scenario/situations and where they can go for assistance and service if needed
- Emergency/Crisis Management Manual implementation/development
- Providing a site for crisis exercise/would like assistance on having a more realistic event for a corporation, such as active shooter/workplace violence – contracting this type of exercise is expensive so this usually does not get done – Does OSP provide such an exercise to local businesses?
- Networking
- Collaboration effort to support citizens after an event
- Information about the current status of emergency
- Assistance in recovery process and getting back to business
- Early warning of potential crisis events
- Two way communication to keep public informed
- Simple process to provide people with useful information
- Better understanding of recovery intentions where public shops
- Less panic during recovery when people are “in the loop”
- Seamless communication during crisis
- Ability to plan for operational delays / challenges
- Opportunity to provide product (bottled water) for humanitarian aid
- Access to state disaster information that can be shared with our county farm bureaus.
- Assuring that agriculture contains to be: a conduit for information; considered in all decision making; and used as a potential resource.
- Communications and information sharing
- Unity of effort in disaster relief
- Ability to help us get business back up and running
- Benchmarking
- Sharing intelligence / data /resources
- A partnership where the business (private) has somewhere to go for feedback and information on better planning & preparation for a disaster
- Information sharing
- Reduce recovery time
- More transparency & guidance during disasters
- Better understanding of utilization of resources
- Networking opportunities
- Mutual aid / credentialing / planning standards that are the right fit for everyone in the state
- Access to key decision makers at Ohio EMA
- Information sharing to better serve first responders community
- Real time accurate information regarding a disaster as it relates to public
- Info & networking
- Support for our donations management position
- Raise awareness for OH VOADs support options
- Timely information
- Preparation procedures & readiness
- Communication
- Partnership – what can we provide?
- Understanding EMA processes/procedures
- Networking with EMA & public key members
- Knowing where to get information fast

- Network with agencies and get more partnerships
- Having the opportunity to facilitate / coordinate activities that will be valuable to the public
-

3. What type of conferences, trainings or exercises would your business or association like to participate in as a member of the Ohio Public Private Partnership?

- Not familiar with the types of exercises but as a retailer, with emphasis on pharmaceuticals, we would like to participate in any exercise.
- Tabletop exercises, networking opportunities (smaller groups)
- Quarterly sessions- each quarter we select a specific topic
- How to work with state and local authorities in the event of a disaster
- Mock disaster drills
- Tabletop exercises
- Disaster simulation and to learn how we could help the community recover (clothing, shoes, etc)
- Tabletop exercises would be great. We have supply chain issues as well as logistics for affected areas
- Tabletops (retail oriented: mall active shooter, terrorism, etc.)
- Small group meetings monthly by industry (retail, energy, medical, etc) by topic (cyber, travel, weather, etc)
- Highwind/tornado preparation
- Massive casualty training
- High water/flood reaction/recovery
- Need more time / information to survey my (association) members on this
- Emergency planning for the farm
- State level exercises – similar to the national level exercises (NLE)
- Tabletop exercise
- Any available!
- Association from public with the CPO (Contingency Planners of Ohio) form our conferences and training
- Any other training available
- Exercises with public/private/non-governmental organizations (NGOs) sector
- Educational conferences – EM prep / COOP /Incident Mngt
- Full scale / tabletop exercises
- Any
- Table top
- webinars
- Not familiar with the types of exercises, but as a retailer, with emphasis on pharmaceuticals, we would like to participate in any exercises.
- Tabletop exercises, networking opportunities (smaller groups)
- Disaster drills, work with our local, county, state agencies
- Partner with retail apparel businesses for donation possibilities
-

4. Would you like to assist in the planning of a future partnership meeting or event?

Unsure-||||||| , No- || , Yes-|||||||

5. How often do you suggest OPPP should meet?

Quarterly -IIIIIIII Biannually-II Annually -III Other: _____

6. Would you find using other technologies for meetings valuable?

Teleconference- IIIIIII Webinar-IIIIIIII Skype Other: ___

7. Will you allow your contact information to be shared with wither partnership members, exclusively?

Yes -IIIIIIIIII No

~ Thank You ~
