Intentionally Blank

1. Type of Project (e.g. Acquisition/Demolition, Elevation, Community Safe Room, etc.):
2. Narrative describing the scope of the project:
3. Provide or attach a list of properties involved in the proposed mitigation project:
4. Estimated project cost:
5. Describe how this project permanently reduces damages or losses:
6. Project location (be specific):
7. Will the proposed project mitigate damage to any critical facilities?
8. Is the source of the local project match known at this time? If yes, please describe:

D. PREVIOUS DAMAGES AFFECTING PROJECT AREA

Historical damages are important in determining how frequently a hazard affects the project area, and the potential cost effectiveness. Please list past damages for the project area only, not the entire community unless that is the project area!

<u>Type of Damage</u>	<u>Date</u> MM/DD/YYYY	<u>Estimate</u> In Dollars	<u>Please explain what happened.</u>
1. Flood - Riverine	00/00/0000	\$0.00	Enter Text Here
2. Flood - Riverine	00/00/0000	\$0.00	Enter Text Here
3.			
4.			
5.			
6.			
7.			
8.			
9.			

E. LOCAL MITIGATION PLAN INFORMATION

1. Does your community have a current FEMA approved hazard mitigation plan? YES NO
If you are not sure, please consult with your county emergency management agency or contact Ohio EMA.
2. Please describe how the project either meets at least one goal, objective, strategy or action item in that plan.

F. LAND USE AND PROTECTION INFORMATION

Please answer to the best of your ability. This will assist the Mitigation Branch Staff in evaluating potential environmental issues.

- 1. Does the community in which the project is located participate in the National Flood Insurance Program (NFIP)?** YES NO
- a. If YES, please enter Community Identification Number:
- 2. Is the project in an identified Special Flood Hazard Area (SFHA)?** YES NO
- a. If YES, please enter the FIRM panel #
- 3. Does the community in which the project will take place participate in other mitigation programs? Examples include but are not limited to: the NFIP Community Rating System, Firewise, adoption of building/zoning codes, local storm water management utility etc.**
- 4. Do you foresee any historical preservation issues that would affect this project?** YES NO
- a. Will the project affect previously undisturbed land? YES NO
- b. Will the project affect any archeological sensitive areas? YES NO
- c. Will the project affect any historically sensitive areas? YES NO
- d. Is the project near any known historic structures? YES NO
- e. Are there any buildings 50 years or older within the project? YES NO
- If YES in any of the above, please explain:
- 5. Do you foresee any environmental issues that would affect this project?** YES NO
- a. Will the project affect any waterways or water bodies? YES NO
- b. Will the project affect potential wetland areas? YES NO
- c. Will the project affect any vegetated areas? YES NO
- d. Will the project involve removal of hazardous/toxic materials? YES NO
- e. Will the project affect areas of habitat for threatened or endangered species? YES NO
- f. Is the project near a wilderness area or wildlife refuge? YES NO
- g. Will the project affect other sensitive natural areas? YES NO
- i. Groundwater aquifers; YES NO
- ii. Wild or scenic rivers; YES NO
- iii. Prime or important farmland; YES NO
- h. Are you aware of any underground storage tanks in the project area? YES NO
- If YES in any of the above, please explain:
- 6. Are there any concentrations of low income or minority population in or near the project area?** YES NO
- 7. Please attach any maps and/or photos that better describe the project area, past damages, or other supporting information.**

Important Notes:

1. After the pre-applications have been submitted to Ohio EMA, the State Hazard Mitigation Team will meet and rank the project pre-applications. The highest ranked project pre-applications will be selected for full project application development. You will be contacted whether or not this pre-application has been selected for full project application development.
2. No project is considered approved under the HMGP until:
 - A. A full application has been developed and submitted,
 - B. The project meets environmental and cost-effectiveness requirements and,

C. FEMA approves the project and awards funding.
