Our Mission

ServeOhio is the state's Commission on Service and Volunteerism created to empower local communities to mobilize AmeriCorps members and volunteer resources for the purpose of building a stronger Ohio.

ServeOhio strengthens communities through AmeriCorps and volunteer engagement.
AmeriCorps is a national service program that engages more than 80,000 Americans in intensive service each year at nonprofits, schools, public agencies, and community organizations across the country.

This year, 900 Ohio AmeriCorps members will provide 1.2 million hours of service throughout the state and earn $4.2 million in education awards.
Volunteer Engagement

ServeOhio works directly with volunteer program administrators at schools, nonprofits, government, and community organizations to provide them with the tools and skills they need to strategically engage volunteers.
