

September 25th is National Awareness Day

The U.S. Department of Homeland Security has designated September 25th as National “If You See Something, Say Something®” Awareness Day. The “If You See Something, Say Something®” campaign works with partners year-round to inspire, empower and educate the public on suspicious activity reporting. By designating a day to the campaign, DHS hopes to highlight the importance of suspicious activity reporting.

How Can You Play a Role on September 25?
