Emergency Operations Center

SITUATION REPORT

Nancy J. Dragani, Executive Director
Emergency Management Agency

2855 W. Dublin Granville Rd.
Columbus, Ohio 43235

MEMORANDUM

TO: Governor John R. Kasich
FROM: Ohio Emergency Operations Center
SUBJECT: Coordinated Response to Ebola Virus
DATE: October 26, 2014

This is the Situation Report for October 26, 2014. This information is current as of 3:00 p.m.

INCIDENT SYNOPSIS

October 10-13, 2014: A Dallas-area healthcare worker who tested positive for Ebola visited Summit County. When the Ohio Department of Health (ODH) learned about the healthcare worker in Ohio, they immediately reached out to local health districts and hospitals to coordinate response. Ohio EMA activated the State EOC Assessment Room and the Joint Information Center to support ODH's response to this incident.

EMERGENCY DECLARATIONS

There are no state or local emergency declarations for this incident.

EBOLA VIRUS DISEASE MONITORING

Currently there are no cases of Ebola in Ohio, but there are 163 individuals who are being monitored. None of the individuals being monitored are symptomatic.

All Other Counties*	0	5	35	7	0	47
Total	3	17	93	50	0	163

**15 counties have seven or fewer contacts and those figures are not being broken out by county in order to protect the privacy of individual contacts. (Belmont, Erie, Franklin, Geauga, Hamilton, Hardin, Lake, Lorain, Mahoning, Putnam, Seneca, Stark, Trumbull, Tuscarawas, and Wayne)*

GENERAL DISEASE SURVEILLANCE

Ohio continues to observe 0 (zero) cases of Ebola. Ohio is observing elevated levels of Emergency Department (ED) visits for fever symptoms across Ohio jurisdictions and a local anomaly was detected yesterday in Putnam County. There were no unusual increases in hemorrhaging symptoms. One new ED visit (34 year old female) was observed yesterday in Lucas County, presenting with migraine, abdominal vomiting and concerns of Ebola. The local health department was alerted of this observation and is investigating accordingly. As of Friday, there was an increase in over-the-counter pharmacy sales (compared to the previous 17-day averages) in Ohio for anti-fever adult (32%), anti-fever pediatric (28%), chest rubs (36%), and baby/child electrolytes (16%).

STATE RESPONSE AND RESOURCES

ESF 7 – Resource Support and Logistics

ESF 7 continues to work in support of ODH in several areas including:

- Creating an ensemble of protective gear based on listing of Personal Protective Equipment (PPE) that is currently in stock.

ESF-8 – Public Health and Medical Services

The Ohio Department of Health (ODH) is lead agency in response to the Ebola incident.

- ODH continues to coordinate with other response ESFs and agencies within the SEOC.
- ESF-8 is making final edits on a document which lists potential vendors that have Personal Protective Equipment (PPE) in stock. The list/vendor information will be shared with local partners who are in the process of purchasing PPE.
- ODH developed guidance for local health departments on tracking recent arrivals from countries affected by Ebola. This guidance will be signed off by the Incident Commander (IC) on Monday and distributed via OPHCS.
- During the time period of 1400 hours October 25, 2014 through 1400 hours October 26, 2014, ODH Call Center received six (6) calls.

ESF 15 – Emergency Public Information and External Affairs

- A Press Release was issued regarding the ODH Daily Ebola Contact Report.
- The JIC continues to monitor social media and calls have been forwarded to the on-call ODH PIO.
- The JIC telephone contact number for media inquiries is (614) 799-6480.

HOURS OF OPERATION

The State EOC is currently operating at a partial activation, 24 hours per day, 7 days per week, until further notice.
