I. Discussion on Grants, Monies, and Equipment by Paul Moledor

- We discussed how to divide the 2010-2011 grant from the State for swiftwater type I teams. The TAC decided to fund each of the regions except region 4 with \$10,500 each. Region 4 would get \$16,500. This would allow region 4 to achieve all the money needed to become a type I team. See the totals below.

R-1	\$10,500
R-2	\$10,500
R-3	\$10,500
R-4	\$16,500 * now will be at type I status and get a site visit
R-5	\$10,500
R-6	\$10,500
R-7	\$10,500
R-8	\$10,500
Total	\$90,000

• Regional Requests

R-1	Type II	\$27,691
R-2	Type I	\$97,300
R-3	Type I	\$47,743
R-4	Type I	\$16,500 * now will be at type I status and get a site visit
R-5	Type I	\$38,100
R-6	Type I	\$25,000
R-7	Nothing submitted	
R-8	Type II	\$24,000

- Each region was to identify who in that region would be the business agent for the grant and forward the information to the TAC ASAP
- Region 4 by receiving all the money requested to get the equipment needed to become a type one team has agreed not to get monies for 2011 and let the other teams get the requested equipment.

- If region 7 does not want the money, it will be divided equally among the other regions except region 4
