## Replacement Values for State-Owned Critical Facilities (\$Millions)

"Critical Facilities" are defined as facilities whose services are necessary for the recovery and response operations following a disaster. These include, but are not limited to, county transportation garages, state patrol outposts, state administrative offices, etc.

Data shown on this map were developed from 2011 Ohio DAS real estate data, which are not maintained by Ohio EMA. Therefore, Ohio EMA does not guarantee their accuracy.

## Annual Rental Amounts for State-Leased Critical Facilities (\$)

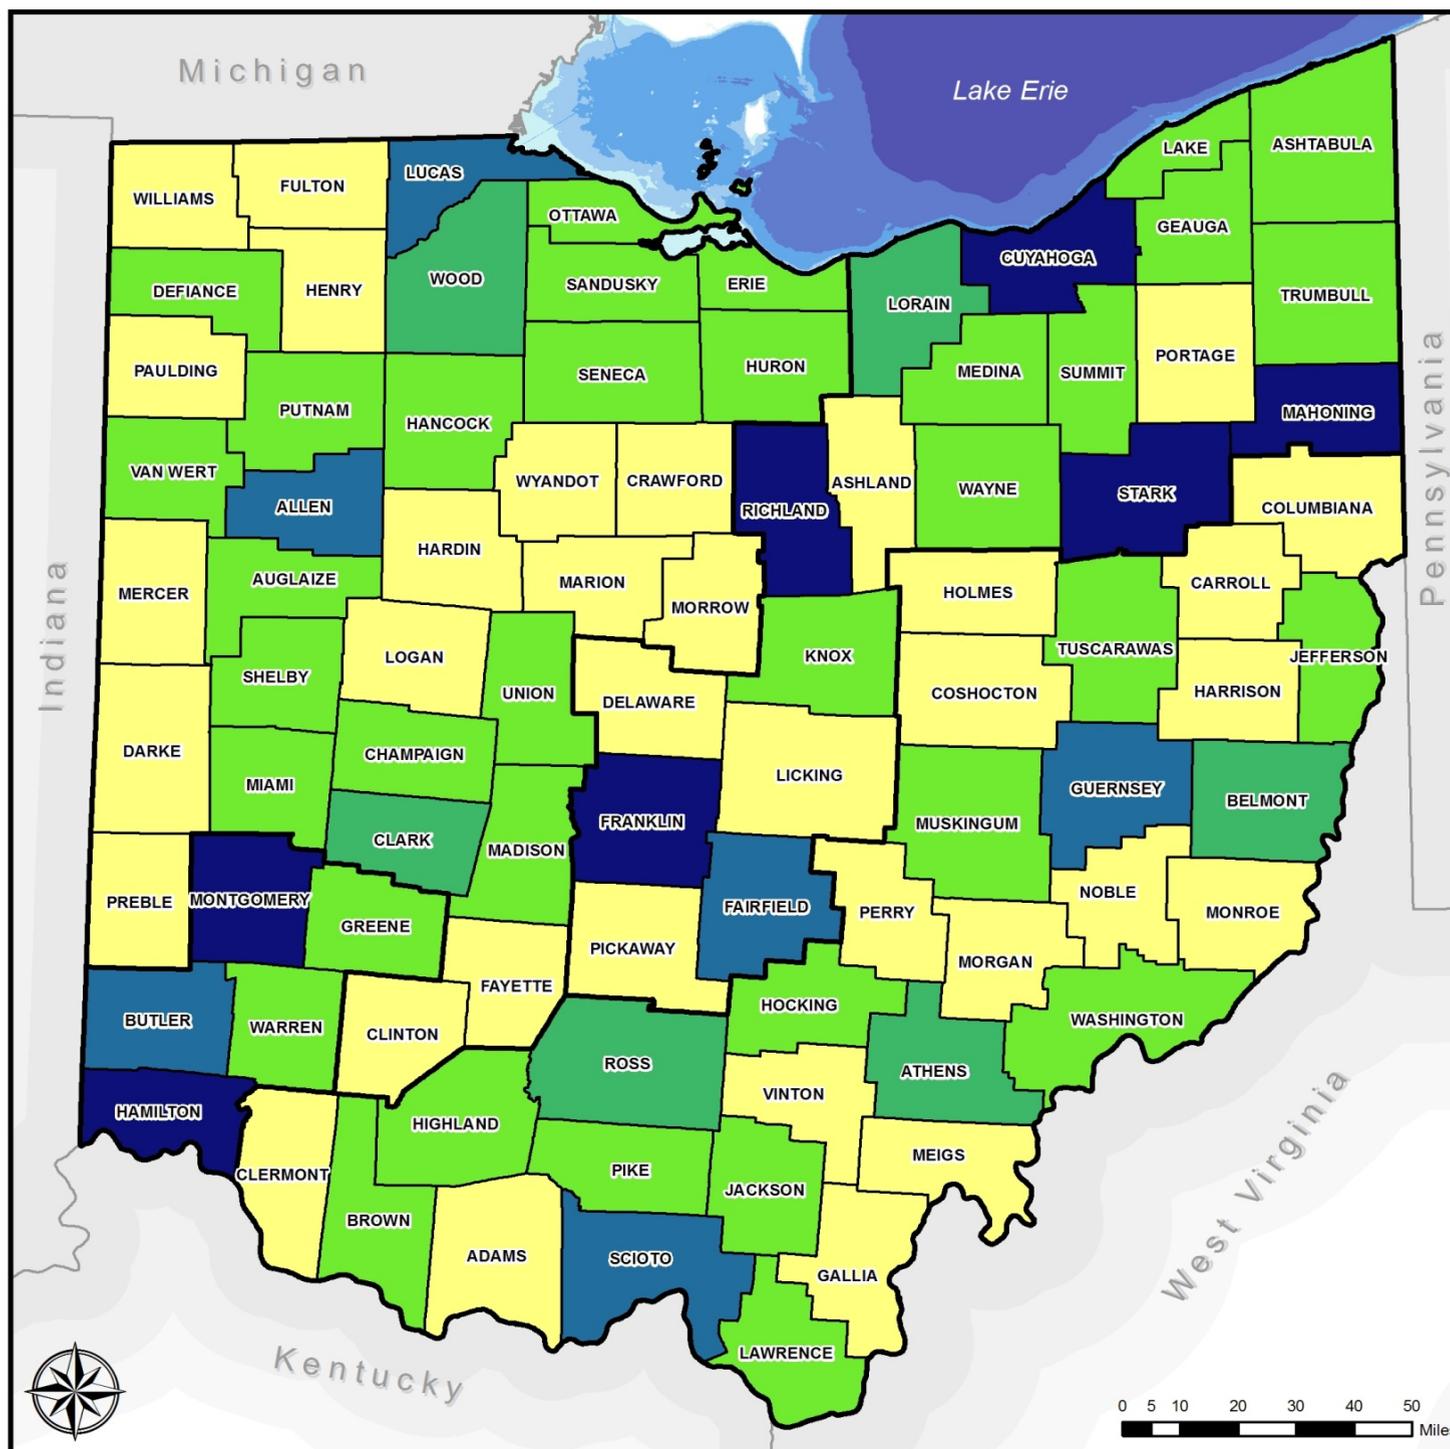

"Critical Facilities" are defined as facilities whose services are necessary for the recovery and response operations following a disaster. These include, but are not limited to, county transportation garages, state patrol outposts, state administrative offices, etc.

Data shown on this map were developed from 2011 Ohio DAS real estate data, which are not maintained by Ohio EMA. Therefore, Ohio EMA does not guarantee their accuracy.
